PART 1 - THE STEWARDS

1. Approval by the Authority of the Stewards and Chairmen

- 1.1. No Person may act as a Steward, or as Chairman of Stewards, at a meeting unless he has been approved under this Rule.
- 1.2. The Authority will approve and appoint Persons to act as Stewards and Chairmen of Stewards and shall adopt such procedures as it considers appropriate regarding the necessary qualification to be appointed.
- 1.3. The Authority will produce annually a list of Persons so qualified (the List of Stewards).
- 1.4. The List of Stewards will show those qualified to act as a Chairman of Stewards.
- 1.5. The Authority may at any time withdraw its approval of a Steward or a Chairman of Stewards.
- 1.6. Where approval is withdrawn from a Person as a Chairman or a Steward, he may no longer act in that capacity.
- 1.7. Paragraph 1 does not apply in an emergency if approval cannot be obtained in time.

2. Requirements as to Stewards and Chairman for a meeting

- 2.1. For each meeting the Authority shall appoint the Stewards to act, one of whom shall be appointed as Chairman.
- 2.2. The Authority will appoint one or more Chief Stewards to act at every meeting.
- 2.3. In the event that no Chairman on the List of Stewards is available to act, a Chief Steward shall be appointed to act as Chairman.

3. Procedure

- 3.1. A quorum for the exercise of the powers of the Stewards under these Rules is the Chairman and any other two Stewards.
- 3.2. Decisions shall be reached by a simple majority.
- 3.3. A decision reached by majority is the decision of the Stewards and will be announced as such and no reference must be made then or subsequently to any minority or dissenting view.

4. General powers and duties at meetings

- 4.1. The general functions of the Stewards at any meeting are to ensure when in attendance that racing is run in accordance with all provision made by or under these Rules.
- 4.2. In exceptional circumstances, the Stewards may
 - 4.2.1. make such variations as they consider appropriate to the arrangements for running any race at the meeting, and
 - 4.2.2. extend the time allowed for
 - 4.2.2.1. weighing,
 - 4.2.2.2. declaring weight, and
 - 4.2.2.3. exhibiting the numbers.
- 4.3. In the case of emergency during a meeting, the Stewards may appoint a substitute to fill the office of an official for the meeting.

5. Access to all places used for the purposes of a meeting

- 5.1. The Stewards must be given free access to all Racecourse Property.

6. Horses

- 6.1. The Stewards may
 - 6.1.1. prevent from running any horse which cannot be shown to be qualified under these Rules or under the conditions of the race;
 - 6.1.2. call for proof that a horse is not
 - 6.1.2.1. in any respect ineligible to run,
 - 6.1.2.2. nominated by a Disqualified Person, or
 - 6.1.2.3. in the ownership or part-ownership of a Disqualified Person;
 - 6.1.3. where they are not satisfied by proof called for under Paragraph 6.1.2, prevent the horse from running;
 - 6.1.4. order an examination (including the taking of samples) by such Person or Persons as they consider appropriate of any horse
 - 6.1.4.1. which has been declared to run under Rule (F)50, or
 - 6.1.4.2. which is on the racecourse;

- 6.1.5. direct that the sampling is to include the taking and storage of samples for subsequent analysis;
 - 6.1.6. if any Person prevents a horse which has been declared to run under Rule (F)50 from being examined before the race in question, order the withdrawal of the horse from the race;
 - 6.1.7. refer to the Authority any conduct preventing an examination, as described in Paragraph 6.1.4;
 - 6.1.8. order the withdrawal from a race of any horse which has been declared to run under Part 2 where they have reason to be concerned about the medical or physical condition of the horse;
 - 6.1.9. order the withdrawal from a race of any unruly horse as to which they have reason to be concerned;
 - 6.1.10. order the withdrawal from a race of any horse which, for any reason, they consider is or will be unable to start without there being an unacceptable delay to the start of the race;
 - 6.1.11. order the withdrawal from a race of any horse which takes charge of or dislodges its rider on the way to the start;
 - 6.1.12. order the withdrawal from a race of any horse which has suffered a fall or other major incident either at or on its way to the start that may adversely affect its welfare.
- 6.2. Before making any order under Paragraph 6.1.8
- 6.2.1. the Stewards must have obtained the opinion of the Veterinary Officer at the meeting, and
 - 6.2.2. the Veterinary Officer must have recommended that the horse be withdrawn on grounds of concern about its medical or physical condition.
- 6.3. The Stewards must immediately notify the Clerk of the Scales and the Starter in any case where a horse is withdrawn by order under Paragraph 6.1.9, 6.1.10 or 6.1.11.

7. Equipment

- 7.1. The Stewards may
- 7.1.1. prohibit any equipment for use on a horse in a race which they consider to be unsuitable, unsafe or ineffective;
 - 7.1.2. prohibit a rider from using a particular whip, whether or not such whip complies with the specifications approved by the Authority;
 - 7.1.3. order the seizure and destruction of any safety vest which has been modified in any way in contravention of Paragraph 3 of Schedule (D)2.
- 7.2. Where the Stewards prohibit the use of a whip under Paragraph 7.1.2, they must without delay submit a report to the Authority.

8. Riders

- 8.1. The Stewards may
 - 8.1.1. at any time order an examination by a Racecourse Medical Officer of any rider who is declared to ride under Rule (F)53 or who has ridden in a race;
 - 8.1.2. in the case of a rider selected for testing for banned substances or notifiable medications in accordance with the procedures set out in Schedule (D)4 Part 4, grant him exemption from providing a sample;
 - 8.1.3. at any time with justifiable cause order a rider to submit himself to off-course testing for the presence of any banned substance or notifiable medication.
- 8.2. If the Racecourse Medical Officer considers it appropriate to do so, an examination under Paragraph 8.1.1 may include the taking from the rider's body of samples for subsequent analysis of blood, urine, breath, sweat, saliva, or any other fluid.
- 8.3. Any rider who fails without good reason to comply with any order made under this Rule shall be taken to have contravened a requirement imposed on him by these Rules.
- 8.4. Racecourse Medical Officer means any registered medical practitioner who is engaged by the Racecourse Managing Executive to provide medical cover for riders at a race meeting held at the racecourse.

9. Abandonment of a day's racing or of a race

- 9.1. This Rule applies in relation to a day's racing or any race if
 - 9.1.1. there are exceptional circumstances,
 - 9.1.2. there is adverse weather, or
 - 9.1.3. the ground conditions are such that the course is not safe.
- 9.2. The Stewards may
 - 9.2.1. abandon a day's racing, or
 - 9.2.2. abandon any race; or
 - 9.2.3. due to adverse weather direct that any hurdle race be run as a National Hunt Flat Race.
- 9.3. If the Stewards abandon a day's racing or abandon any race on the grounds specified in Paragraph 9.1, a certificate must be drawn up stating the time when the decision to abandon was arrived at and their summarised reasons for doing so.
- 9.4. The decision to abandon, omit any Obstacles or direct that a hurdle race be run as a National Hunt Flat Race can be taken at any time from 2 hours before the advertised time of the first race but only provided the Stewards,

Trainers or Jockeys have initiated the relevant procedure for considering concerns about the safety of the course.

9.5. The certificate must be signed by two of the Stewards, or by one Steward and the Clerk of the Course.

9.6. The Stewards may leave out or alter any Obstacles in the circuit of the course if their retention would necessitate the abandonment of the day's racing or a race, but the original advertised distance of a race must not be decreased.

9.7. If the Stewards

9.7.1. authorise the omission of any Obstacles, or

9.7.2. vary in any way the programme as originally advertised,

they must without delay report to the Authority's Office their reasons for doing so.

10. The race

10.1. In exceptional circumstances, the Stewards may give permission for a race to be started in front of the starting post and within such distance of it as the Authority may from time to time direct.

10.2. Permission given under Paragraph 10.1 overrides any contrary provision concerning the distance of the race, whether contained in the conditions of the race or in these Rules.

10.3. The Stewards may determine the result in the event that either the Judge or any substitute authorised under Rule 4.3 is unable to carry out his duties.

10.4. The Stewards may declare a race void in any case when the Starter has failed to declare a false start under Rule 38.

11. Enquiries

11.1. The Stewards may

11.1.1. determine all questions that arise in reference to racing at a race meeting, except as otherwise provided in these Rules and subject to any appeal made to the Authority under Part (A)7,

11.1.2. report to the Authority on the conduct of any Person or any other matter relating to racing, regardless of whether there is or may be a contravention of these Rules,

11.1.3. enquire into, regulate, control, take account of, and adjudicate on, the conduct of

- 11.1.3.1. all officials,
- 11.1.3.2. all Persons bound by these Rules, and
- 11.1.3.3. all Persons frequenting Racecourse Property for the purpose of the meeting.

11.2. For the purposes of Paragraph 11.1.1, it is irrelevant whether a question arises during the course of or subsequent to the meeting.

11.3. The Stewards will not entertain any disputes relating to bets.

11.4. By notices exhibited on the number board or elsewhere and by any form of public address system at the racecourse, the Stewards may state and announce

11.4.1. that an objection has been lodged,

11.4.2. its subject and nature,

11.4.3. their decision in respect of it, and

11.4.4. their decision in respect of any other matter coming within their jurisdiction.

11.5. The Stewards may communicate the contents of any such notice, statement or announcement to representatives of the media who are present at the racecourse for publication or onward transmission by them.

11.6. Where any enquiry on a matter listed in Rule 69.2 is called for by the Stewards before the announcement of Weighed In has been given, this shall have the force and consequences of an objection and these Rules shall have effect as if an objection had been lodged.

12. Disciplinary action against a person for contravention of these Rules

12.1. The Stewards may take Disciplinary Action against a Person under this Part if the Stewards

12.1.1. consider that the Person is guilty of misconduct, and

12.1.2. are satisfied that it is appropriate in all the circumstances to take action against him.

12.2. A Person is guilty of misconduct if, while he is subject to these Rules

12.2.1. he contravenes a requirement imposed on him by or under these Rules,

12.2.2. any provision of these Rules states that he is taken to have contravened any such requirement, or

12.2.3. any provision of these Rules states that he is liable to Disciplinary Action.

12.3. If the Stewards are entitled to take Disciplinary Action against a Person under Paragraph 12.1

- 12.3.1. they may impose on him any of the disciplinary penalties specified in Paragraph 12.4, and
 - 12.3.2. more than one penalty may be imposed in respect of each contravention of a Rule.
- 12.4. The disciplinary penalties are
- 12.4.1. to impose a financial penalty not exceeding £2,500;
 - 12.4.2. in the case of a rider
 - 12.4.2.1. to suspend him from riding at the racecourse where a contravention has been committed for any period up to 40 days;
 - 12.4.2.2. to suspend him from riding for the day;
 - 12.4.2.3. to caution him as to his future conduct in races.
- 12.5. Any suspension of a rider under Paragraph 12.4.2 shall commence in accordance with the criteria specified in Schedule 1.
- 12.6. The Stewards may provide for any part of a period of suspension or part of a fine imposed by them to take effect or be payable as the case may be only if a referral results in a breach of the same or any Rule, or a pending appeal of a previous offence is unsuccessful.
- 12.7. For the purpose of Paragraph 12.6, an appeal will be considered unsuccessful if at its conclusion the person appealing is found in breach of the same or any Rule. In such a case deferred fines will be payable immediately on conclusion of the appeal and deferred periods of suspension shall be added to any period of suspension for the earlier offence and served as if it had been imposed at the same time.
- 13. Disciplinary action: supplementary**
- 13.1. Where a Rule requires a particular penalty, order or sanction, the Stewards must comply with the requirement.
- 13.2. The Stewards powers to take Disciplinary Action may be used only in relation to matters that arise in the course of, or concerning, the meeting for which the Stewards are appointed to act but this shall not prevent
- 13.2.1. any matter from being referred to the Authority under Rule 16, or
 - 13.2.2. the Stewards from taking Disciplinary Action in any of the circumstances specified in Paragraph 13.3.
- 13.3. The circumstances are
- 13.3.1. that a matter has been adjourned from a previous meeting at the racecourse;

- 13.3.2. that all Persons who may be liable to Disciplinary Action consent to the matter being dealt with by the Stewards;
 - 13.3.3. that, after an enquiry into the running of a horse at the meeting, the Stewards consider that, in respect of an earlier running of the same horse at any racecourse in the Channel Islands, the rider or Trainer failed to comply with any requirement, imposed on him by the Rider Manual (D) or Trainer Manual (C), to make an after-race report concerning the same horse's performance.
- 13.4. For the purposes of Paragraphs 13.3.1 and 13.3.2 it is irrelevant whether the same individuals were serving as Stewards at the previous meeting.
- 13.5. In determining what (if any) Disciplinary Action to take in respect of the contravention of a Rule, the Stewards may take account of any financial penalty that has already been imposed on a Person under Rule (F)55.
- 14. Races already run: disqualifying a horse and changing the placings**
- 14.1. The powers conferred by Paragraphs 14.2 and 14.3 are exercisable by the Stewards on an objection made to them under Rule 69.2.
- 14.2. The Stewards may disqualify a horse in relation to a race that has already been run
- 14.2.1. in any of the circumstances described in Part 4, or
 - 14.2.2. in any circumstances described in Rule 69.2.
- 14.3. In the circumstances described in Rules 49, 50 or 51 the Stewards may make such changes to the placings of a horse in the race as the Stewards consider appropriate.
- 14.4. Paragraph 14.2.2 does not apply if the rider satisfies the Stewards that
- 14.4.1. his failure to present himself was justified by reason of illness, accident or other extraordinary circumstances,
 - 14.4.2. he weighed out at not less than his correct weight, and
 - 14.4.3. the proper weight was carried throughout the race.
- 14.5. Where
- 14.5.1. a Person makes an error, or contravenes a Rule, in entering a horse for a race, and
 - 14.5.2. the appropriate steps specified in Rule (F)46 (steps for correcting certain errors) for correcting the error or contravention have been taken,
- the horse shall not be liable to disqualification on account of the error or contravention.

15. Powers to suspend a horse from running in future races

- 15.1. The powers conferred by Paragraph 15.2 are exercisable by the Stewards in relation to any future races to be held at the racecourse where the race meeting for which the Stewards are acting is held.
- 15.2. The Stewards may suspend a horse from running for such period not exceeding 40 days as they may specify where
 - 15.2.1. a rider, Trainer or any other Person to whom Rule 54 applies is found to have contravened any provision of either Rule 54 or 55, or
 - 15.2.2. a Trainer is found to have contravened his duties under Rule (C)38 (which requires trainers to give pre-race instructions to riders) as to the instructions to be given to riders.
- 15.3. A suspension of a horse under Paragraph 15.2 shall commence on the day after the time for appealing has lapsed as provided for in Rule (A)70.1.

16. Making referrals to the Authority

- 16.1. The Stewards may report a matter to the Authority when they consider that
 - 16.1.1. there is a reasonable suspicion that a Person has contravened a requirement imposed on him by or under these Rules in a way that they consider ought to be considered by the Authority;
 - 16.1.2. a Person has contravened a requirement imposed on him by or under these Rules and
 - 16.1.2.1. the contravention ought to be considered by the Authority, or
 - 16.1.2.2. a penalty, order or sanction ought to be imposed which exceeds the range available to the Stewards;
 - 16.1.3. a Person present at the meeting (whether or not subject to these Rules) has behaved in a manner that the Stewards consider to be unacceptable.
- 16.2. The Stewards must refer any matter to the Authority in circumstances which the Authority has specified as being such as to require a referral.
- 16.3. On considering any matter referred to the Authority under this Rule, the Authority is not bound by any finding of the Stewards.

17. Power of Authority to correct decisions of Stewards

- 17.1. The Authority may correct a decision of the Stewards where the Stewards have failed accurately to apply any mandatory provision in these Rules.

- 17.2. Where a correction is made under Paragraph 17.1
- 17.2.1. any Person concerned will be informed in writing of the corrected decision, and
 - 17.2.2. if he objects, he may apply for the matter to be referred to a disciplinary panel under Part (A)5.
- 17.3. An application under Paragraph 17.2.2 must be made in writing to the Authority's Office before the end of the period of 48 hours starting with the day after that on which he is given notice of the corrected decision.
- 17.4. When that period ends on a day on which the office is closed, the application will be made in time if done by 5.00pm on the next day on which the Authority's Office is open.
- 17.5. The decision of the Authority shall stand unless (and until) a disciplinary panel decides otherwise.

18. Other powers of Authority as to Stewards' decisions

- 18.1. If the Authority considers it appropriate to do so, it may cancel or reduce
- 18.1.1. any Disciplinary Penalty imposed by the Stewards, or
 - 18.1.2. any decision of the Stewards to disqualify a horse, alter the placings or suspend a horse.
- 18.2. The Authority may extend the period of any suspension imposed by the Stewards where
- 18.2.1. an appeal is made to the Authority under Part (A)7, or
 - 18.2.2. the Authority conducts a full enquiry into the case.

PART 2 – PREPARATION FOR THE RACE

19. Requirements for a horse to enter a race

- 19.1. A horse may not be entered for a race unless such of the requirements of Schedule 2 as apply in relation to the horse are met.

20. Requirements for a horse to run the race

- 20.1. A horse may not run in a race unless such of the requirements of Schedule 3 as apply in relation to the horse are met.

- 20.2. Schedule 3 contains the following

- 20.2.1. Part 1 specifies requirements applying to all horses;
- 20.2.2. Part 2 specifies additional requirements that apply only to horses foaled or trained outside the Channel Islands;
- 20.2.3. Part 3 specifies additional requirements that apply where the race is a flat race;

- 20.2.6. Part 6 specifies additional requirements that apply where a horse is imported to the Channel Islands to be trained.

21. Equipment for horse and rider

- 21.1. Schedule 4 (which makes provision about equipment for horses and riders) has effect.

22. Weighing out procedure

- 22.1. The riders for each race must be weighed out in accordance with these Rules.

- 22.2. Each rider must be weighed for a particular horse at the appointed place.

- 22.3. The weighing must take place

- 22.3.1. not less than a quarter of an hour before the time fixed for the race,
or
- 22.3.2. if this is not possible due to the late running of the preceding race, not more than five minutes after the Clerk of the Scales has weighed in the winner of that race, or
- 22.3.3. if the Stewards specify a later time under Rule 4.2., by that time.

- 22.4. The Clerk of the Scales will not allow a rider to be weighed out for a horse where he has been informed by the Stakeholder that any stake or any

arrears in respect of any horse belonging to the same owner or standing in his name has not been paid.

- 22.5. The Clerk of the Scales will not allow a rider to be weighed out for any race unless he is wearing a safety vest which conforms to a standard approved by the Authority (see Rule (D)26 (safety vests, skull caps and saddles)).
- 22.6. Rule (D)32 (weighing out) specifies requirements applying to a rider on weighing out, including the items he must include in the scale.
- 22.7. Overweight will be rounded down to the nearest 1lb unit.
- 22.8. Subject to Paragraph 22.1, to compensate for being required to wear a safety vest (3lb) and in the interests of rider welfare (3lb), the weight of a rider on weighing out will automatically be allowed at 6lbs less than the weight that is registered on the scale.
- 22.9. No professional Jockey may weigh out if he will be carrying 8lbs or more overweight.
- 22.10. No Rider may weigh out above the maximum weights prescribed by Rules (F) 21.2 in a flat race (11st 10lb) or (F)29.3 in a jumps race (13st).
- 22.11. All Riders will ride on equal terms with each other unless otherwise stipulated in the conditions of the race.

23. Correction of errors in respect of declarations

- 23.1. Any errors in a declaration must be notified to the Clerk of the Scales and the Stewards not less than three-quarters of an hour before the time fixed for the race.
- 23.2. If any necessary correction is not made before the end of that period then the Person who made the declaration under Rule (F)50 shall be taken to have contravened a requirement imposed on him by these Rules.

24. Blank

25. Late change of rider

- 25.1. Subject to Paragraphs 25.2 to 25.4, no new rider will be permitted after the time determined under Rule (F)53 for making declarations of rider.
- 25.2. Paragraph 25.1 does not apply in any case where
 - 25.2.1. the Authority or Stewards direct that it does not apply, or

- 45.2. In races of more than one circuit, the Starter will remain at the start so as to be able to initiate the orange and yellow quartered 'stop race' flag.

46.3.2. racecourse personnel will wave a chequered flag to warn the riders of the hazard ahead,

46.3.3. a rider must proceed around the Obstacle as indicated by a line of cones which will be placed diagonally in front of the Obstacle indicating the direction of the course the riders should now take and continue in the race, following the correctly marked course.

46.4. If a rider is unable to follow the direction of the course indicated by the cones, he must pull up.

46.5. The Stewards may decide not to take Disciplinary Action against a rider for a contravention of Paragraphs 46.3.3 or 46.4 if the rider satisfies them that he had reasonable cause.

46.6. The horse of a rider who is found to have contravened Paragraphs 46.3.3 or 46.4 shall, on an objection to the Stewards under Part 7, be disqualified unless the Stewards consider that extraordinary circumstances justified the rider in acting as he did, in that

46.6.1. all riders remaining in the race took the same course, and

46.6.2. no rider obtained an unfair advantage as a result.

46.7. The Head Groundsman, Racecourse Medical Officers, Veterinary Surgeons or any other person at the express discretion of the Clerk of the Course may also, in exceptional circumstances, deploy the bypassing equipment as detailed above if the situation so demands.

46.8. In this Rule a Direction Marker means a 10mm thick Board 4 feet by 1½ feet with a PVC printed fluorescent yellow arrow on a black background

with 2 wooden legs/uprights measuring 2 inches x 1½ inches x 42 inches as attachments. There must be approximately 24 inches of leg below the bottom of the direction marker, to allow the marker to be fixed in a hurdle.

47. Failing to ride the course correctly

47.1. Where a horse

47.1.1. runs the wrong side of a running rail or a marker used to denote the correct course, or

47.1.2. misses an Obstacle

the rider must pull up or turn back in order to ride the course correctly from the point where the horse took the wrong course or in order to jump the Obstacle.

47.2. Paragraph 47.1 does not apply

47.2.1. where the Stewards have issued instructions to riders before the race that an Obstacle is to be omitted, or

47.2.2. in the circumstances specified in Rule 47 or 46.

47.3. The horse of a rider who is found to have contravened Paragraph 47.1 shall, on an objection to the Stewards under Part 7, be disqualified unless the Stewards are satisfied that

47.3.1. the rider's reasons for taking the wrong course were satisfactory,

47.3.2. all riders remaining in the race took the same course, and

47.3.3. no rider has obtained an unfair advantage as a result.

49.1.1. purposely interfering with another horse or rider, or

- 49.1.2. riding in a way that is far below that of a competent and careful rider and where it would be obvious to such a competent and careful rider that riding in that way was likely to endanger the safety of a horse or rider.
- 49.2. A rider whom the Stewards or the Authority consider has been guilty of dangerous riding at any time whilst on the racecourse, and whether before or after any race
 - 49.2.1. shall be taken to have contravened a requirement imposed on him by this Rule, and
 - 49.2.2. is liable to Disciplinary Action.
- 49.3. When a horse or its rider has caused interference by dangerous riding in any part of a race the horse shall, on an objection to the Stewards under Part 7, be disqualified.

- 50.1. A rider is guilty of careless riding if he fails to take reasonable steps to avoid causing interference or causes interference by inattention or misjudgement.
- 50.2. A rider is guilty of improper riding if he
 - 50.2.1. causes interference by making a manoeuvre when he knows or ought reasonably to have known that interference could occur, or
 - 50.2.2. engages in any misconduct in the course of riding, whether mounted or dismounted, including riding that would be dangerous (within the meaning of Rule 49) but for the fact that it did not cause serious interference.
- 50.3. Improper riding by a rider also covers any case of improper use of the whip which does not fall within Rule 49 or within the preceding provisions of this Rule.
- 50.4. A rider whom the Stewards or the Authority consider has been guilty of careless riding or improper riding at any time whilst on the racecourse, and whether before or after any race

 - 50.4.2. is liable to Disciplinary Action.
- 50.5. Where
 - 50.5.1. a horse or its rider has caused interference by careless or improper riding, and

50.5.2. the Stewards are satisfied that the interference improved the placing of the horse in relation to the horse or horses with which it interfered,

the horse shall, on an objection to the Stewards under Part 7, be placed behind the horse or horses with which it has interfered.

50.6. For the purposes of Paragraph 50.5.2

50.6.1. the reference to the placing of any horse interfered with is to the placing decided by the Judge, and

50.6.2. if the Stewards are not satisfied the interference did improve the placing of the horse, they must overrule the objection and order that the placings remain unaltered.

50.7. In deciding whether the Stewards are satisfied that the interference improved the placing of the horse, the Stewards shall make no allowance for any ground which the incident may have cost the horse causing the interference.

50.8. Where a Rider has been found in breach of Rule 50.3 and the number of strikes (excluding those found to be clearly and unequivocally for safety purposes) is 4 or more above the permitted level set out in Paragraph 2.4 of Part 2 of Schedule 6 to this Manual, the horse shall, on an objection to the Stewards under Part 7, be disqualified.

51. Accidental interference

51.1. In any case where interference is caused by accident in any part of the race, the Stewards must apply Rules 50.5 to 50.7 to such interference in order to determine whether to order any alteration as to placings.

51.2. For the purposes of Paragraph 51.1, Rule 50.5.1 shall be read as if, for the reference to interference by careless or improper riding, there were substituted a reference to interference by accident.

52. Rules 49 to 51: supplementary provision

52.1. In Schedule 6

52.1.1. Part 1 sets out certain circumstances in which conduct causing interference may be regarded as contravening Rules 49 to 51; and

52.1.2. Part 2 contains further provision about improper use of the whip, including the post-race procedure to be followed when a horse is wealed.

53. Assisting another horse in the race

53.1. A rider must not

- 53.1.1. make a manoeuvre in a race in the interests of another horse in Common Ownership or under common control or from the same stable or team, whether or not such a manoeuvre causes interference or causes his horse to fail to achieve its best possible placing, or
 - 53.1.2. contravene any provision of this Part with the intention or with the consequence of giving advantage to another horse in Common Ownership or under common control or from the same stable or team.
- 53.2. Nothing in Paragraph 53.1 prohibits pure pacemaking as such.
- 53.3. Where a rider is found to have contravened the prohibition in Paragraph 53.1, the Trainer of the horse shall also be taken to have contravened a requirement imposed on him by this Rule.
- 53.4. The Stewards may decide not to take Disciplinary Action against a Trainer under Paragraph 53.3 if the Trainer satisfies them that he instructed his rider to treat every other horse in the race without any favour, however the race developed, and that the rider acted regardless of such instructions.
- 53.5. Common ownership means that the horses in question share one or more owners in common and common control shall be similarly construed.
- 54. General requirement for a horse to be run on its merits and obtain best possible placing**
- 54.1. Every horse which runs in a race shall be run and be seen to be run on its merits (see Rule (D)35 (riding to achieve the best possible placing)).
- 54.2. No Owner or Trainer may

 - 54.2.2. prevent or try to prevent in any way any horse from obtaining the best possible placing.
- 54.3. No rider or any other Person may in any way prevent or try to prevent any horse from obtaining the best possible placing.
- 55. Failure to run a horse on its merits**
- 55.1. A rider of a horse shall be taken to have contravened the requirement imposed on him by Rule 54.1 in each of the following cases.
- 55.1.1. Case 1 is where the Stewards or the Authority consider that the rider has intentionally failed to ensure that his horse is run on its merits.

55.1.2. Case 2 is where the Stewards or the Authority consider

55.1.2.1. that there was no intentional disregard of the requirement that the horse be run on its merits, but

55.1.2.2. that the horse has not achieved its best possible placing because the rider

55.1.2.2.1. failed to ride out approaching the finish on a horse that would have been placed first, second, third, fourth or in any other placing for which there is prize money,

55.1.2.2.2. mistook the race distance and either began riding a finish too early or failed to ride a finish,

55.1.2.2.3. took the wrong course, or

55.1.2.2.4. asked for an effort or made some other permissible manoeuvre too late as a result of serious misjudgement or inattention.

55.1.3. Case 3 is where, in circumstances not falling within Case 1 or 2, the Stewards or the Authority consider that the rider has failed to take all reasonable and permissible measures to ensure his horse is run on its merits.

55.2. For the purposes of this Rule

55.2.1. placing means any placing given to the horse by the Judge from and including first place to last place, and

55.2.2. if a dead-heat occurs as a result of any of the circumstances in Case 1, 2 or 3 it will be regarded as the equivalent of not achieving the best possible placing.

PART 5 – THE RESULT

56. The Judge

- 56.1. Judge's box means the place designated by the Stewards as the Judge's box.
- 56.2. A race is void unless either
 - 56.2.1. the Judge is in the Judge's box when the first horse passes the winning post, or
 - 56.2.2. the Stewards are able to determine the result in exercise of their powers under Rule 10.3.
- 56.3. No horse which passes the winning post after the Judge has left the box shall be placed.
- 56.4. In this Part, references to the Judge include a substitute authorised by the Stewards under Rule 4.3.
- 56.5. Nothing (other than the running rail or a plain white board) shall be placed in front of the winning post or within 1 meter either side of it. A Racecourse Managing Executive shall be taken to have contravened a requirement imposed on the executive by this Rule in any case where the winning post is obstructed other than as set out in this Rule.

57. The Judge's decision

Schedule 5 – Starting Procedures

PART 1

1. ALL RACES - STARTING GATES OR STARTING WITH A FLAG

- 1.1. This Paragraph applies to any start from a starting gate or with a flag.
- 1.2. The horses
 - 1.2.1. must be started to the satisfaction of the Starter, and
 - 1.2.2. may be started at such reasonable distance behind the Starting Post as the Starter thinks necessary.
- 1.3. Horses will be girthed up on the course, as instructed by the Starter.
- 1.4. When all horses are girthed up and the Starter has mounted the rostrum, the horses will walk around behind the marker poles designated by the Starter or such other place designated by the Starter.
- 1.5. To avoid the Starter waiting unnecessarily, a Rider must tell the Starter if he is dropping in.
- 1.6. When the Starter wishes the horses to walk forward he will raise his flag to signify this to the riders. Once he has done so, the riders shall walk forward and take up a position ready to start the race. Until that time, no rider is permitted to walk up or take up a position.
- 1.7. Riders must listen to the Starter's instructions at all times during the procedure.
- 1.8. When the Starter wishes the horses to walk forward he will raise his flag to signify this to the Riders.
- 1.9. Horses in the front rank must walk or jig jog until the start is effected.
- 1.10. Horses at the rear may trot to catch up but must not overtake those in front or force those in front out of a walk.
- 1.11. Riders may be instructed to 'WAIT' or keep 'STEADY' as necessary by the Starter.
- 1.12. If the Starter instructs 'NO' then the race is not about to be started.
- 1.13. 'No Sir' must only be used by riders in an emergency situation.
- 1.14. The start will not be delayed if the Starter considers a rider is holding up proceedings by trying to push in where there is no room.

- 1.15. A rider who deliberately faces his horse backwards because he has missed his intended position will be reported to the Stewards.
- 1.16. If the Starter has told all Riders to take a turn back, they must go back as far as directed by the Starter, line up, and a standing start may be effected.
- 1.17. The Starter may allow a Rider or Riders to take a voluntary turn if it assists in starting the race.
- 1.18. If the tape becomes dislodged (or for any other reason of sustained delay), all horses must take a turn back as far back as instructed by the Starter.
- 1.19. If the field line up and commence to move forward before the Starter raises his flag, or where any horse approaches the start at faster than jig jog before the tape is released and the Starter's flag is dropped, the race will not be started. In this circumstance, the Starter may report to the Stewards any Rider he considers responsible.
- 1.20. The signal for the start is the release of the gate or the lowering of the flag.
- 1.21. The advance flag operator will raise his flag when the Starter raises his flag and will drop it when the Starter drops his flag to start the race.
- 1.22. The Starter may remove an unruly horse.
- 1.23. If he does remove a horse, he must place it to one side of, or behind, the other runners and at such a distance that it cannot gain any advantage itself or cause danger to, or prejudice, the chances of the other horses and Riders engaged in the race.
- 1.24. Where the Starter
 - 1.24.1. gives permission for a horse to be held, or
 - 1.24.2. orders an unruly horse to be held,

- 2.2. While at the start the Trainer or his representative must comply with any instruction issued by the Starters or his Assistant.
- 2.3. If a Trainer or his representative arrives at the start without prior permission he is likely to be asked to keep off the track (i.e. behind the running rail).
- 2.4. The Trainer or his representative must in no way interfere with the draw or the other runners.
- 2.5. Under no circumstances will the Trainer or his representative be allowed to encourage his horse, physically, verbally or using any other means to jump off in a race.
- 2.6. For the avoidance of doubt the above includes: carrying a whip of any sort, striking a horse in any way, using tins of stones to rattle, blowing whistles etc.
- 2.7. Should a Trainer or his representative fail to comply with any of the above Paragraphs 2.1 to 2.6 he is liable to be reported to the Stewards.

Schedule 6 – Causing interference and improper use of the whip

PART 1

1. Interference

Overtaking on the inside

- 1.1. Where a Rider attempts to pass another horse on the inside on an unrailed part of the course
 - 1.1.1. the Rider must ensure that his horse has the speed to do so;
 - 1.1.2. he must be clear of the horse which he has overtaken on the inside well before the next Obstacle or section of running rail;
 - 1.1.3. he must ensure that he does not interfere in any way with the horse which he is overtaking; and
 - 1.1.4. if he does cause interference it may be regarded as dangerous riding or careless riding.
- 1.2. The Rider being overtaken is entitled to maintain his line to the inside of the next Obstacle or section of running rail but he must not ride across to ride off any horse trying to pass him on the inside.
- 1.3. If he does ride across, such interference may be regarded as dangerous or improper riding.

False Rail

- 1.4. Paragraphs 1.6 to 1.8 apply where a racecourse employs a rail configuration known as false rail.
- 1.5. A false rail is a running rail which
 - 1.5.1. cuts away to an inner running rail (this can vary from three furlongs to one furlong from the winning post), and
 - 1.5.2. is intended to prevent interference and give every horse, wherever it is positioned, the best opportunity of a clear run to the finish.
- 1.6. Where a Rider comes to the false rail he must either
 - 1.6.1. cut quickly across to the inner running rail, providing such a manoeuvre will not cause any interference, or
 - 1.6.2. keep straight.
- 1.7. Any Rider who allows his horse to gradually drift to the rail and in so doing causes the Rider behind to be taken off his intended line, and as a result has to 'take a pull' as he reaches the rail, is likely to be guilty of causing interference and in contravention of Rules 49 or 50.

- 1.8. A Rider will not be guilty of a riding offence if he allows his horse to drift slowly across to the rail provided that interference is not the result but, by allowing this to occur, it increases the risk of causing interference and therefore this practice should be avoided.

2. PART 2

Improper use of whip

- 2.1. The Stewards should hold an enquiry into any case where a Rider has used his whip contrary to Paragraphs 2.2 to 2.5.
- 2.2. A rider must use an approved whip.
- 2.3. A rider may use the whip (including when waving it) in the forehand or backhand position.
- 2.4. On each occasion the whip is used when the rider's hand is off the reins, it will count towards the permitted number of strikes.

Improper riding

- 2.5. The following are examples of uses of the whip which are regarded as improper riding for the purposes of Rule 50.3.
 - 2.5.1. a rider must not use their whip more than 6 times in a Flat Race or 7 times in a Jumps Race;
 - 2.5.2. a rider must not use their whip excessively down the shoulder in the backhand position, with their hands on the reins, for example, as an alternative to using the whip in the freehand;
 - 2.5.3. a rider must only use the whip on the hindquarters of the horse in either the forehand or backhand position or down the shoulder with the whip in the backhand position;
 - 2.5.4. a rider must allow 3 strides between each use of the whip;
 - 2.5.5. a rider must only use the whip where their horse is responding.
 - 2.5.6. a rider must not use the whip with excessive force, for example by pulling the whip through from the opposite side of the body or rotation of the core to generate increased leverage;
 - 2.5.7. a rider must not use the whip with their whip arm above shoulder height, for example where there is clear space between whip hand and top of the helmet;
 - 2.5.8. a rider must not use the whip when out of contention, for example when there is no realistic prospect of finishing in the first five places; a rider must not use the whip without regard to stride, for example by actual or perceived impression of a double strike;
 - 2.5.9. a rider must not use the whip if their mount is clearly winning (or clearly in any other placing);
 - 2.5.10. a rider must not use their whip when past the winning post;
 - 2.5.11. a rider must not weal a horse with their whip.

Procedure for inspection

- 2.6. Horses may be subject to an inspection by a Veterinary Officer after the race.
- 2.7. A Trainer must remove or adjust rugs or sheets for the purposes of any inspection.
- 2.8. The Veterinary Officer will report to the Stewards every horse which is wealed or injured.
- 2.9. A Trainer must attend any enquiry into a wealed or injured horse trained by him and, in the event of a finding that the Rider is in breach of one of the examples in Paragraph 2.2, may be liable to Disciplinary Action pursuant to Rule (C)38 (which requires trainers to give pre-race instructions to riders).

Schedule 7 – Index of defined Expressions

1. This index provides a guide to words or expressions which are defined generally and so liable to be met in provisions which do not themselves contain the definition.
2. Where a term is used only in one Rule (or in a series of closely connected Rules), the definition will be set out in that Rule. Always check the Rule itself before looking at this index.
3. Where a term is used in more than one place, it will start with a capital letter. The second column of this index tells you where you can find the substantive definition.
4. This index is not part of these Rules.
